

### Sport activities 2017/2018

Using the PE grant we provided regular sport activities for our children.

#### 1. Swimming

We took our children to the swimming pool in High Green and almost all of the children can have a swimming session at least twice/month.

#### 2. Wheelchair Basketball

We have a session for a selected group of children every fortnight.

#### 3. Activity Sheffield

Coaches from Activity Sheffield are coming once a week to run a 1 hour play/sport session for our children.
